Green

Navy

Stitched Adjustable Hem

1. Locate the Stitch Line
2. Turn the coverall inside out finding horizontal stitch line near bottom of the leg hem
3. Unpick and remove stitching along marked line
4. Release the hem by unfolding the extra fabric
5. Press new hemline with an iron

The **Cleveland Zip Coveralls** are ideal for mechanics and similar trades to prevent scratching paintwork. A great value for money product that is lightweight and features plenty of pockets to carry all your essential equipment. Features an adjustable hem.
