# **PROTECTION SCOPE**

### **Basic requirements**

This product has been designed to be a safety footwear.

The applicable basic requirements are detailed in the following standard(s):

- EN ISO 20345:2022 Safety footwear

This product is a category II PPE.

At the date of the certificate, the product is in compliance with Annex XVII of the European REACh regulation (n° 1907/2006 and revisions)

### **Additional requirements**

The claimed additional requirements are:

- Closed seat region
- Cleated outsole
- Perforation resistance (non-metallic insert type PL)
- Antistatic footwear
- Heat insulation
- Cold insulation
- Energy absorption of seat region
- Slip resistance (ceramic tile with glycerine)
- Upper: Water penetration and absorption of upper material
- Outsole :Resistance to hot contact
- Outsole : Fuel oil resistance

## **MARKING - PACKAGING**

### Information marked on the footwear

- \* Logo of the Manufacturer
- \* Logo **C €**
- \* Manufacturer's name or commercial brand
- Manufacturer's postal address
- \* Manufacturer's type designation
- \* Size
- \* At least year and month of footwear manufacture
- \* The number and year of the applicable specific standard(s)
- \* The appropriate codes of marking according to the applicable requirements and additional protection and performance claimed

### Marking example
