Properties	Upper: R-180 full grain waterproof leather. Ankle support zone helps prevent ankle twisting. Inner Lining: Waterproof and breathable abrasion resistant lining. Toe Cap: HDPC composite fibre toe cap resistant to 200J. Midsole: Textile pierce resistant – Min. 1100N. Sole Unit: Lightweight injected dual density 2PU anti-static. Shock absorption, heat resistant to 120°C. Footbed: Moisture wicking, breathable and washable footbed.
------------	---

Areas of Application	When you need a tough boot but still want to keep the flexibility in the sole when driving, the Huron is a great option. Not only is it fully waterproof, the ankle support also provides extra protection when walking across rough ground. The addition of the bump cap protects the leather at the front of the boot making it last longer. The PU sole is light, comfortable and fully waterproof so no more wet socks.
